

## DEVELOPING DATA

In early 2008, UCAOA revamped its annual survey in conjunction with researchers at Massachusetts General Hospital and Harvard University with the goal of assuring that the UCAOA Benchmarking Committee's efforts produced a scientifically valid report.

Here we present some of the findings from this landmark survey, to which 436 urgent care centers responded.

*In this issue:* What benefits do urgent care centers provide for their physician employees?

### PHYSICIAN BENEFITS COVERED BY URGENT CARE CENTER
